### NUMBER OF GUESTS

The final number of guests must be provided to us at least 7 days before arrival. If you make a reservation with shorter notice, the reserved number will be considered the final number of guests. The number of guests can be increased if the restaurant has the capacity for it. Cancellations and adjustments to the number of guests can be made according to the following conditions.

### CANCELLATION & ADJUSTMENT OF NUMBERS

Up to 7 days before the event, the number of guests can be freely adjusted, and the reservation can be freely canceled. Adjustments later than this are accepted for up to a maximum of 5% of the total number until the day before the event. Cancellations later than 7 days before will be invoiced at 75% of the total price for the event. These terms apply regardless of the reason for the reduction/cancellation.

### TABLE ARRANGEMENT

Groups are always seated together as one group. We do our best, but unfortunately, we cannot guarantee a specific placement in the restaurant. For larger groups, it may be necessary to use multiple tables placed closely together.

## **PAYMENT**

The bill must be paid collectively by one person. We accept most types of credit cards.

Credit card fees: All corporate cards, as well as private payment cards issued outside the EU/EØS, will incur a fee. For American Express, all transactions will incur a fee.

*We look forward to welcoming you!*
