# FOOD CLUB

Food Club is the place where you can sit back and enjoy a relaxed evening with no limitations.

You simply book a table for the number of hours that suits you – and everything is included. This gives you unlimited access to our large, seasonal buffet featuring green favourites, hot dishes, salads, snacks, and much more.

At the same time, you enjoy an open bar throughout your booking: wine, beer, soft drinks, and other selected beverages – all ad libitum.
